

**EOD
TECHNOLOGY
&
BOMBING
PREVENTION
SUMMIT**

2026

December 1-3, 2026 • National Harbor, MD

Join us at the premier gathering for professionals in Explosive Ordnance Disposal (EOD), Public Safety Bomb Technicians (PSBT), and the Bombing Prevention community. The EOD Technology and Bombing Prevention Summit offers an unparalleled opportunity to gain knowledge, and get hands-on with state-of-the-art technologies and network with US government, industry, public safety, international partners, academia and small businesses.

- Room block at Gaylord National Harbor at the government rate
- No cost to attend for military, government and state employees
- Three days of general session and breakouts in the areas of:
 - Interoperability, Defense Support to Civilian Agencies, Manned & Unmanned Teaming, International Cooperation, Large-Scale Exercise Debriefs, Bomb Technician Wellness, Counter UAS & more
